Located at 101 Genesee Street in Downtown Auburn, New York we are centrally located among the various restaurants, brew pubs, theater and urban lifestyle.

As a boutique, we strive to maintain our shop as a destination for our customers to experience that will motivate them to purchase from our broad selection of merchandise to suit their lifestyle.

How it Works

Scour your house for those cool but unwanted items including furnishings, décor and accent pieces, textiles, fun & funky clothing, lamps, rugs, pillows and so on. **All items must be clean, in excellent to good condition and free from odors.**

We also look for artisan-made merchandise such as soaps, balms, artwork in a variety of mediums, pottery and many other created items.

Contact us to coordinate a time to bring them in for us to check out – photos of large items are recommended rather than schlepping them in.

We will “shop” your items to see what fits and is appropriate for our store. Selected items will be processed in, tagged, priced and staged for selling! Pricing is mutually agreed upon. You will receive 50% of the sell price on Furnishings, Home Décor & Clothing; 60% on artisan created items.

Home Furnishings, Décor, Clothing:

The consignment period for Home Furnishings, Décor & Clothing is for 90-days. After the first 30-days, the price will be reduced by 25%, after the next 30-days an additional reduction of 50% will be applied. **At the end of 90-days, unsold merchandise must be reclaimed unless indicated otherwise on the agreement form. It is the responsibility of the consignor to contact Regenerations to pick up unsold merchandise. Calculate your date of pick-up as 90 days from the drop off date. Items not claimed within 10 days of pick-up date are considered abandoned and donated to charity, disposed of, or reintroduced into inventory as a Regenerations wholly-owned item.**

Artisan Created items:

The consignment period for Artisan-created merchandise is 60-days after which time the artisan may renew the consignment agreement (with our approval) or reduce the price. Inactive items can be renewed for one consignment period.

Sales are reconciled monthly with bank checks being processed the first week of the month.
